Village Follies: Founded more than 35 years ago, we provide adult community members of various ages and experiences an opportunity to participate in an annual variety show at the Winnetka Community House (WCH). Additionally, we raise funds for the WCH, a beloved mainstay of Chicago's North Shore, through numerous activities, including our variety show and our popular Patrons' Party and Auction. Celebrating more than 100 years of service, the WCH enriches the lives of area residents through diverse educational, cultural, social, and recreational offerings. It accomplishes this valuable work without funding from any federal, state, or local governmental agencies.
